

Creation of Dog Spend (including toilet and wash area)

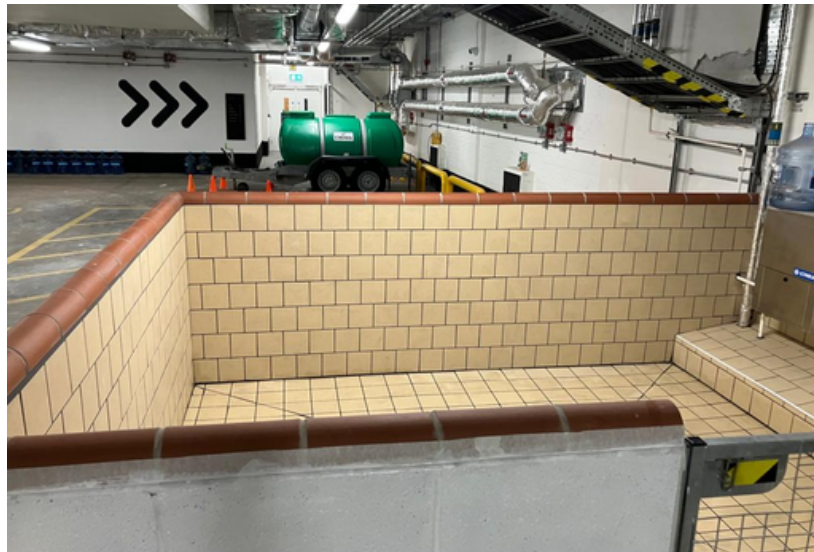

THE BRIEF:

To form a new enclosure for use as a dog spend for visitors/staff within internal car park area.

THE DETAILS:

- Screed floor to ensure proper run levels allowing central drainage.
- Full tile of interior walls and floor in light colour quarry tiles, with CBRT skirting to allow for easy cleaning.
- Box in the rear wall to protect equipment and dogs.
- Fit stainless steel ramp at gate entry for H&S requirements.
- Fit mesh gate and ensure waterproof seal on the bottom face.
- Provide wash and cleaning facility as existing.
- Provision of all labour and materials.

THE PROGRESS:

THE FINISHED PROJECT:
